

TOURIST TAX

GRANDLYON

Rulings 2009-0889 of 6th July 2009 and 2010-1922 of 16th December 2010 governing tourist tax, to be applied from 1st January 2011 under the "régime réel" tax arrangement, across the Greater Lyon Urban Community.

The tourist tax is a tax collected by your accommodation provider on behalf of the Greater Lyon Urban Community.
The tax is used to fund tourism programmes and projects directly, therefore benefitting you.
We hope you enjoy your stay in Greater Lyon...

This tax is collected by your accommodation provider and paid to the Greater Lyon Urban Community.

The Rhône Departmental Council introduced the additional 10% tax on top of the tourist tax through ruling no. 002-1 of 7th February 2003. This tax is charged and collected in the same way as the inter-community tourist tax to which it is added.
